April 28th 4PM-5PM-North County Coastal Career Center

May 6th 10AM-11AM North County Inland Career Center

Information and Recruitment Session

San Onofre Nuclear Generating Station Careers in Nuclear Energy Scholarship Program

Associate of Science Degree In Energy Technology

Emphasis in Plant Operations	
Course	Units
Radiation Fundamentals	3
Radiation Monitoring	4
Electrical Sciences	4
Reactor Systems	3
Primary and Secondary Power Plant Systems	3
Electrical and Auxiliary Power Plant Systems	3
Power Plant Protection Systems	3
Cooperative Work Experience	3
Introductory Chemistry	4
Oral Communications	3
College Algebra	3
Trigonometry	3
Introductory Physics I	4
<u>Introductory Physics II</u>	<u>4</u>
Major Total	47
Additional GE Units	21
Degree Total	68

Emphasis in Radiation Protection Technology	
Course	Units
Radiation Fundamentals	3
Radiation Monitoring	4
Reactor Systems	3
Radiation Dosimetry	3
Radioactive Materials Handling	3
Radiological Safety and Response	3
Radiation Protection	4
Cooperative Work Experience	3
Introductory Chemistry	4
Oral Communications	3
College Algebra	3
Trigonometry	3
Introductory Physics I	4
<u>Introductory Physics II</u>	<u>4</u>
Major Total	47
Additional GE Units	21
Degree Total	68
