

SAT Courses at Fallbrook Union High School Enrollment Agreement

Enrollment Agreement

Parent and Student Please Read Below

1) **GENERALLY:** The student has enrolled in this course solely for the purpose of preparing for the SAT. TPR may change course schedules and locations, and, on rare occasions, cancel a course; TPR will notify you if this occurs. Class size is limited and enrollment is taken on a first-come, first-served basis. Our SAT class size at FUHS will never be more than 20 students. TPR may dismiss any student whose course fee has not been paid on time or who, in TPR's opinion, is disruptive.

Our experience clearly shows that those students who attend all scheduled meetings achieve the greatest score improvements. But if you must miss a meeting, we can do the following:

1. If you miss a Test session, we will give/mail you the exam to take at home.
2. If you miss a Class session, you can attend our Global Make-up session on Friday at 4pm in our main office. Please call the office for details or to make a reservation.

2) **COURSE FEES:** The fee for The Princeton Review (TPR) includes all classes, practice tests and materials. It does NOT include the real SAT registration fee. A deposit of \$199 will reserve a space in the SAT course; This deposit is refundable prior to seven (7) days before the beginning of the course. Full payment of the course fee is due by the first diagnostic test. Students who have not paid in full by the first class session will NOT be admitted to class.

3) **REFUNDS:** After the course begins, no refunds will be given, barring a medical emergency. In the event of a medical emergency, official documentation will be needed, and all TPR materials must be returned upon withdrawal from the course. Refunds will be granted pro-rata based on the number of sessions that have passed by the date of notification, and will not be granted until materials are returned.

4) It is your responsibility to sign up for the real SAT. Go to www.Collegeboard.com to register online (preferred), or see your school's counseling office for a hard-copy registration book.

5) **GUARANTEES :** We are committed to helping you get your best score. You are entitled to the great instructors who are knowledgeable, enthusiastic, and well-prepared. At the same time, we expect that you will attend and be prepared for class and that you will make your best effort to use the information that you learn.

Option 1: If the student completes the homework assignments on time, attends or makes up all classes, and completes all practice tests, the student will be entitled to take a refresher course for \$99 (normal price is \$199). If no refresher course is available, you may choose to repeat the full course for \$99.

Option 2: Should you complete the above requirements for the course, and either see **NO** improvement (zero points) in your total score, or a decrease in your total score from either an earlier, official test score or your first respective practice test with us (whichever came first) to your actual test scores after the program, you may either repeat the course (full course or refresher course) for free.

Note that if you choose to repeat the course or attend a refresher course for either guarantee option, you might not be able to do so at FUHS; you will have to choose from our other locations if no course is offered at FUHS for the test date you are retaking.

***A minimum of ten students is needed in order to run a course. If The Princeton Review must cancel a course, any enrolled students will have the choice of attending a course in another location for the same price, or receiving a full refund of any money paid.
